 - Pre-commencement communications pursuant to Rule 13e-4(c) under the Exchange Act (17 CFR 240.13e-4(c))
-

Item 8.01 Other Items

As required by the "Indenture" to the Floating Rate Secured Notes Due 2014 dated March 1, 2010 (the "New Notes"), Morris Publishing Group, LLC ("Morris Publishing") is required to use its monthly positive operating cash flow, net of permitted cash flow adjustments, ("Excess Free Cash Flow") to repay any amounts outstanding on its working capital facility, and then to redeem (on a prorata basis) stated principal amounts outstanding on the New Notes; provided, however, that no payment or redemptions are required if Excess Free Cash Flow is less than \$250,000 during the monthly period.

Applying this requirement with respect to Morris Publishing's monthly period ending October 31, 2011, Morris Publishing redeemed \$1,547,230 in aggregate stated principal amount of the New Notes on November 16, 2011, the referenced period's Excess Cash Flow Payment Date (as defined in the Indenture). On November 14, 2011, Morris Publishing delivered a certificate to the Trustee under the Indenture stating that \$1,547,230 of the aggregate stated principal amounts outstanding on the New Notes will be redeemed on the November 16, 2011 Excess Cash Flow Payment Date.

The table below summarizes all of the aggregate stated principal redemption and interest payments subsequent to the March 1, 2010 issuance date of the New Notes:
