### **CAPITOL FEDERAL FINANCIAL, INC. ANNOUNCES TRUE BLUE® TOO DIVIDEND**

Topeka, KS – Capitol Federal® Financial, Inc. (Nasdaq: CFFN) (the “Company”) announced today that its Board of Directors has declared a TRUE BLUE® TOO dividend of \$0.25 per share on outstanding CFFN common stock. The cash dividend will be paid on December 27, 2013 to holders of record on December 20, 2013. With this dividend, the Company will have paid cash dividends of \$0.73 per share in calendar year 2013. This dividend will total approximately \$35.8 million.

The TRUE BLUE TOO dividend is the result of the Board of Directors’ continued commitment to return value to our stockholders.

The Board of Directors of Capitol Federal® Savings Bank (the “Bank”) also announced today that it has voted to make a capital distribution to CFFN in the amount of \$36.0 million. This is in addition to the \$69.1 million in earnings for fiscal year 2013 that the Bank has distributed to CFFN. This additional capital distribution will allow CFFN to pay the \$0.25 per share TRUE BLUE TOO dividend and continue with its current stock-buyback plan, which currently has \$129.6 million available for the repurchase of stock. This capital distribution will occur before December 31, 2013.

For fiscal year 2014, it is the intent of the Board of Directors and management to continue with the payout of 100% of the Company’s earnings to its stockholders. The payout is currently expected to be in the form of regular quarterly cash dividends and a special year-end cash dividend equal to fiscal year 2014 earnings in excess of the amount paid as regular quarterly cash dividends during fiscal year 2014. It is anticipated that the fiscal year 2014 special year-end cash dividend will be paid in December 2014. Dividend payments depend upon a number of factors including the Company’s financial condition and results of operations, Capitol Federal Savings Bank’s regulatory capital requirements, regulatory limitations on the Bank’s ability to make capital distributions to the Company, and the amount of cash at the holding company.

Capitol Federal Financial, Inc. is the holding company for Capitol Federal Savings Bank, which operates 46 branch offices in Kansas and Missouri. News and other information about the Company can be found on the Bank’s website, <http://www.capfed.com>.
