DOLLAR TREE, INC. REPORTS RESULTS FOR THE FOURTH QUARTER AND FULL YEAR FISCAL 2014

Fourth Quarter Highlights

~ Sales increased 10.8% to \$2.48 billion and Same-Store Sales improved 5.6% ~ ~ Diluted EPS, including acquisition-related costs, decreased 2.0% to \$1.00 ~ ~ Excluding acquisition-related costs, diluted EPS increased 13.7% to \$1.16 ~

CHESAPEAKE, Va. - February 25, 2015 - Dollar Tree, Inc. (NASDAQ: DLTR), North America's leading operator of discount variety stores selling everything for \$1 or less, today reported results for the fourth quarter and fiscal year ended January 31, 2015.

Fourth Quarter Results

Consolidated net sales increased 10.8% to \$2.48 billion from \$2.23 billion in the prior year's fourth quarter. Consolidated same-store sales increased 5.6% on a constant currency basis, compared to a 1.2% increase in the prior-year period. Adjusted for the impact of Canadian currency fluctuations, the same-store sales increase was 5.5%.

Gross profit increased 11.3% to \$918.1 million from \$825.2 in the prior year's fourth quarter. As a percent of sales, gross margin increased by 20 basis points to 37.1%. The primary contributors to the increase were higher initial mark-ups and leverage on occupancy and distribution costs, which were offset partially by higher freight costs and continued investments in merchandise value.

Selling, general and administrative expenses were 21.6% of sales compared to 21.3% of sales in the prior year's fourth quarter. The quarter included \$6.7 million in acquisition-related costs associated with the pending merger with Family Dollar Stores, Inc. Excluding acquisition-related costs, selling, general and administrative costs were 21.3% of sales, flat compared to the prior year's fourth quarter. Increased payroll costs related to store bonuses and incentive compensation were offset by leverage on other costs as a result of strong same-store sales.

Net income, compared to the prior year's fourth quarter, including acquisition-related costs, was \$206.6 million and diluted earnings per share were \$1.00. Excluding acquisition-related costs, net income increased approximately \$26.0 million to \$239.0 million and diluted earnings per share increased 13.7% to \$1.16.

Bob Sasser, Chief Executive Officer stated, "I am extremely proud of our Company's performance in the fourth quarter and throughout 2014. Our quarterly comp sales increase of 5.6% was largely driven by a 5.0% increase in transaction count. Top performing categories included party supplies, household products and food. Our results continue to validate that Dollar Tree is part of the solution for millions of customers seeking great value as they strive to balance their household budget. We exceeded 1 billion transactions in a year for the first time in Company history. Our business model is strong, our inventories are fresh, our shelves are full of incredible values, and our store teams are ready for the Spring selling season."

The Company opened 90 stores, expanded or relocated six stores, and closed five stores during the quarter. Retail selling square footage increased to 46.5 million square feet, a 7.4% increase compared to the prior year.

Full Year Results

For fiscal year 2014, the Company's consolidated net sales increased 9.7% to \$8.60 billion from \$7.84 billion in the prior year. Consolidated same-store sales increased 4.4% on a constant currency basis, compared to a 2.4% increase for fiscal year 2013. Adjusted for the impact of Canadian currency fluctuations, the same-store sales increase was 4.3%.

Gross profit increased 8.8% to \$3.03 billion, or 35.3% of sales, compared to \$2.79 billion, or 35.6% of sales, in the prior year. The 30 basis point decrease, as a percent to sales, was primarily driven by higher freight costs related to domestic trucking rates.

Selling, general and administrative expenses increased 9.6% to \$1.99 billion, or 23.2% of sales. This included approximately \$28.5 million in acquisition-related costs associated with the merger with Family Dollar Stores, Inc. Excluding acquisition-related costs, selling, general and administrative costs were 22.8% of sales, a 40 basis point improvement compared to the prior year.

Net income, compared to the prior year including acquisition-related costs, increased \$2.5 million to \$599.2 million, and diluted earnings per share increased by 6.6% to \$2.90. Excluding acquisition-related costs, net income increased \$48.9 million to \$645.6 million and diluted earnings per share increased 14.7% to \$3.12.

Company Outlook

The Company estimates consolidated net sales for the first quarter of 2015 to range from \$2.15 billion to \$2.20 billion, based on a low to mid single-digit increase in same-store sales and 6.9% square footage growth. Diluted earnings per share, excluding acquisition-related costs, are expected to range from \$0.69 to \$0.74. This range includes a \$0.01 per diluted share non-recurring, non-cash charge related to a change in inventory accounting for our Canadian operations.

Consolidated net sales for the full year are estimated to range from \$9.21 billion to \$9.45 billion. This estimate is based on a low to low-mid single-digit increase in same-store sales, and 7.2% square footage growth. Fiscal year 2015 diluted earnings per share, excluding acquisition-related costs, are expected to range from \$3.30 to \$3.50.

FTC Update

The Company continues to make progress in its effort to obtain clearance from the Federal Trade Commission ("FTC") to complete the Company's pending acquisition of Family Dollar. The Company remains confident in its belief that the FTC will require the divestiture of no more than roughly 300 stores. Given the number of stores that the FTC continues to analyze, the Company now hopes to reach agreement with the FTC on the stores to be divested in early March and will work to close the acquisition by April 27, 2015. The final number and location of the divested stores and the closing date are subject to uncertainties such as the timing of final approval by the FTC Commissioners of the divested stores and the divestiture buyer or buyers.

Conference Call Information

On Wednesday, February 25, 2015, the Company will host a conference call to discuss its earnings results at 9:00 a.m. EST. The telephone number for the call is 800-289-0463. A recorded version of the call will be available until midnight Wednesday, March 4, 2015 and may be accessed by dialing 888-203-1112. The access code is 9760132.
