to our SHAREHOLDERS

We are pleased to announce our financial results for the first nine months of 2015. Net income was \$6.0 million, or \$1.33 per share, compared to \$5.8 million, or \$1.30 per share for the comparable period in 2014. Net interest income increased \$299 thousand and noninterest income increased \$606 thousand for the first nine months of 2015 compared to the same period in 2014. These positive variances were partially offset by an increase in the provision for loan losses of \$100 thousand, an increase in noninterest expenses of \$603 thousand, and the provision for income taxes of \$60 thousand. The change in noninterest expenses was primarily due to increases of \$386 thousand in salaries and wages, \$180 thousand, in pension and employee benefits, \$80 thousand in occupancy expenses, and \$113 thousand in equipment expenses.

Earnings for the quarter ended September 30, 2015 were \$2.05 million, or \$0.45 per share, compared to \$2.13 million, or \$0.47 per share, for the quarter ended September 30, 2014. An increase in net interest income of \$182 thousand, or 3.2%, as of September 30, 2015 compared to September 30, 2014 was more than offset by a reduction in noninterest income of \$176 thousand, or 6.5% and an increase in noninterest expenses of \$122 thousand for the same period.

Total assets grew to \$620.3 million compared to the prior year of \$602.7 million. Growth in total loans contributed to the asset growth. Total loans increased 3.8% to \$505.6 million as of September 30, 2015 from \$487.4 million as of September 30, 2014. Growth has been concentrated in the residential, commercial and commercial real estate portfolios during the first nine months of 2015. Total deposits reached \$543.9 million compared to the prior year of \$531.0 million, or growth of \$12.8 million or 2.4%. The Company had total capital of \$53.8 million with a book value per share of \$12.07 as of September 30, 2015 compared to \$52.7 million and \$11.81 per share at September 30, 2014.

At this writing foliage season is waning and the leaves that block my view of the mountains from my office have receded allowing a view of the snow covered Green Mountain Range. We just finished one of the finest foliage seasons in memory, both visually and financially for our region. Like the last two maple sugaring seasons, this year's foliage season came late and had locals and visitors alike wondering if we would have a foliage season at all. Very much like the local sentiment before last spring's maple sap runs. Many speculate why the season was so beautiful, but few disagree that we enjoyed one of the best foliage seasons ever. Our many visitors, especially later visitors, enjoyed spectacular views and weather this fall. Our travel and tourism related businesses throughout Vermont and New Hampshire enjoyed excellent results, which is very good for our local economy.

Enclosed please find your check or advice of deposit of the quarterly dividend of \$.27 per share declared on October 21, 2015, payable on November 9, 2015 to shareholders of record October 31, 2015. As a reminder, we would be pleased to help you set up automatic deposit of your dividend either to a Union Bank account or a financial institution of your choice. Please contact Assistant Secretary Kristy Adams Alfieri for assistance at 802-888-0982.
