## **NEWS RELEASE**

### **AMERICAN INDEPENDENCE CORP. ANNOUNCES 2016 FIRST-QUARTER RESULTS**

New York, New York, August 1, 2016. American Independence Corp. (NASDAQ: AMIC) today reported 2016 first-quarter results.

#### ***Financial Results***

AMIC completed the sale of IHC Risk Solutions LLC (“Risk Solutions”) and the medical stop-loss business it produced on March 31, 2016 and realized an after tax gain of approximately \$114 million. In addition, under the purchase and sale agreement, all of the in-force medical stop-loss business of Independence American produced by Risk Solutions is 100% co-insured as of January 1, 2016. AMIC’s block of medical stop-loss business is in run-off. The sale of Risk Solutions and exit from the medical stop-loss business represents a strategic shift that will have a major effect on the Company’s operations and financial results. The disposal transaction qualifies for reporting as discontinued operations in the first quarter of 2016.

AMIC reported net income of \$114.2 million (\$14.10 per diluted share) for the three months ended March 31, 2016 compared to \$0.7 million (\$.09 per diluted share) for the three months ended March 31, 2015. Income from continuing operations was \$0.4 million (\$.03 per diluted share), and \$0.3 million (\$.03 per diluted share), for the three months ended March 31, 2016 and 2015, respectively.

Revenues decreased to \$29.4 million for the three months ended March 31, 2016 compared to revenues of \$39.4 million for the three months ended March 31, 2015, primarily due to the sale of Risk Solutions and the exit from the medical stop-loss business.

Independence Holding Company (“IHC”) has announced a “going private” transaction by way of a statutory “short-form” merger of AMIC with and into AMIC Holdings, Inc. (“Holdings”), a newly formed subsidiary into which IHC and one of its subsidiaries will contribute their shares of AMIC common stock, with Holdings continuing as the surviving corporation. Once the transaction is consummated, Holdings will own all of the outstanding shares of common stock of AMIC. IHC is under no obligation to consummate the merger and could decide to withdraw from the transaction at any time before it becomes effective.

### ***Chief Executive Officer's Comments***

Roy T. K. Thung, Chief Executive Officer, commented, "Our financial condition and balance sheet remain strong. As previously announced, AMIC completed the sale of IHC Risk Solutions LLC and the stop-loss business it produced on March 31, 2016 and realized an after tax gain of approximately \$114 million. AMIC has re-positioned itself as a specialty health underwriter and sales and marketing company, and produced solid growth and underwriting results in these lines in the first quarter. Our occupational accident line has been underperforming, and we are implementing changes to improve our results."
